Written Exams	<p>Year 1 – 60%</p> <p>Year 2 – 60%</p> <p>Year 3 - 1000%</p> <p>Year 4/5 – Assessment will involve rotations, eDOPs, OSCEs, written finals exam, RP2 project, Principles of Veterinary Practice essay</p>
Work-Based Assessment on Rotations	<p>Continuous assessment in the clinical environment in the areas of professional activity, practical skills and clinical reasoning and application of knowledge. Competencies are assessed in each rotation and students must achieve competence by the end of rotations. Practical skills are also assessed by Direct Observations of Practical Skills assessment</p> <p>Assessment of Learning Objectives will take place during rotations as is done on Intramural Rotation of BVetMed.</p> <p>Students will be assessed in the following categories</p> <ul style="list-style-type: none"> • Professional Activity • Practical Skills • Clinical Reasoning and application of Knowledge <p>Students will also be formally assessed in 14 competencies during each rotation and must achieve competence by completion of rotations.</p> <p>An overall result of “Competent” will be awarded for an individual DOPS assessment when a student has gained no more than one ‘Borderline Expected Competency’ grade (BLEC) for any assessment component, with all others graded as competent. If a student gains a grade of ‘Below Expected Competency’ (BEC) or gains two ‘Borderline Expected Competency’ grades within a DOPS assessment, an overall result of “Not Yet Competent” will be awarded.</p>

Prior to commencing any Animal Husbandry Extra Mural Studies placements, students must satisfactorily complete a Direct Observation of Procedural Skills (DOPS) assessment of their animal handling skills in year 1.
