

3.	<b>Applicable to:</b> Students commencing the MVetMed from July 2016
4.	<b>Aspects of Course Covered by Examination</b>  All subjects taught on the course modules (module assessments) Clinical / Pathology skills (annual appraisals) Research skills (research project)

**5. Form of Examination**

5.1. **Formative  
Summative**

**Progress Assessment**

An assessment led by the supervisor to evaluate:

5.2.

5.2.1.

Development of clinical / pathological competencies and professional behaviours  
Performance in meeting Specialty Board credentials and publication requirements  
Rate of progress in respect of academic and study requirements for the programme

5.2.2.

**Modules**

**Assessments for 10 or more modules.**

Assessments associated with each module (format individualised by module: e.g. essays, MCQs, EMQs, spot tests).

5.2.3.

**Research Project**

Research project report written in the format of a paper suitable for publication in a peer-reviewed journal appropriate for their Specialty Board. This may include feedback from one or more co-authors, but should not include feedback from journal scrutineers. Hence the version of the manuscript submitted to the Exams Office must be the same as the initial version submitted for publication.

Oral examination of research project at end of year 3
