

There is no charge if you are applying for recognition as an Associate Fellow or Fellow having successfully completed one of our accredited programmes

### Is there another recognition route?

Applications through the recognition scheme are peer reviewed against agreed [recognition criteria](#). You may apply for Associate, Fellow or Senior Fellow status if you:

teach and/or support learning (including foundation degrees etc) in a higher education institution and are able to present appropriate evidence  
teach and/or support learning at HE level and are able to present appropriate evidence, regardless of who your employer is.

### I am currently a Fellow. How do I achieve Senior Fellow status?

You will need to provide evidence that you meet the following criteria:

- Lead colleagues by personal example
- Facilitate and influence networks of colleagues
- Impact positively beyond your institution, at national or international level, within your discipline or more generally
- Make a sustained contribution and positive impact to the student learning experience
- Champion learning and teaching in HE

The recognition fee for Senior Fellow status is £300 GBP (If applying as a member of RVC staff)

### If I have any more queries, whom should I ask?

The [HE Academy website](#) contains answers to most questions. If you still have a query, then please contact the Staff Training and Development.
